	+	-	=	<p>Your scholar will need to learn the numbers 0-20 by the end of the year. They will need to be able to identify the numbers in random order, will need to be able to sequence the numbers in order and will need to be able to show the value of the number. The numbers over twenty are to help your scholar count by 10's. The plus, minus and equal sign are bonus flash cards.</p>
